

Orthopedic Surgery Referral Letter

Date: July 10, 2026

To: Prior Authorization Department

From: Dr. Evelyn Carter, Board-Certified Orthopedic Surgeon

Patient: Arthur Pendelton (ID: M-88321)

Subject: Surgical Request Authorization - Left Total Knee Arthroplasty (CPT 27447)

To Whom It May Concern,

I have accepted the Orthopedic Surgery referral from Dr. Samuel Vance for the patient, Arthur Pendelton. Following a comprehensive orthopedic evaluation in my clinic on July 10, 2026, I am recommending a Left Total Knee Arthroplasty (CPT 27447).

The patient has met all preoperative clinical criteria, having failed extensive non-operative management. Please find the clinical assessment notes, radiology reports, and primary care records attached for your review. I respectfully request prompt authorization to schedule this medically necessary procedure.

Sincerely,

Dr. Evelyn Carter, MD, FAAOS
