

Elevance Payer Policy: Polysomnography (Sleep Study)

CPT/HCPCS Code: 95810 | Version: 2026-Q3 | Effective Date: 2026-07-01

Specialty Requirement

This service requires a referral from: Pulmonology or Sleep Medicine referral.

Required Supporting Documentation

1. Clinical Assessment Notes
2. Sleep Questionnaire (e.g., Epworth Sleepiness Scale)

Clinical Prerequisites

1. Epworth Sleepiness Scale (ESS) score of 10 or greater
2. Witnessed apneas, gasping, or choking during sleep reported by a sleep partner
3. Documented symptoms of excessive daytime sleepiness not explained by other conditions

Notes

Requests lacking any of the required supporting documentation above will be returned to the provider for additional evidence unless the case includes clearly documented exigent circumstances warranting expedited review.
